GAIL FARBER, Director

ADDRESS ALL CORRESPONDENCE TO:
P.O. BOX 1460
ALHAMBRA, CALIFORNIA 91802-1460

March 19, 2013

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

33 March 19, 2013

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**AWARD OF A PUBLIC WORKS CONSTRUCTION CONTRACT
ANGELES FOREST HIGHWAY BETWEEN SIERRA HIGHWAY
AND ANGELES CREST HIGHWAY
IN THE UNINCORPORATED COMMUNITY OF ACTON
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to award a public works construction contract to APW Construction, Inc., dba Ace Fence Company, for Angeles Forest Highway between Sierra Highway and Angeles Crest Highway, and authorize the Director of Public Works or her designee to execute a construction contract for work in the unincorporated community of Acton.

IT IS RECOMMENDED THAT THE BOARD:

Award and authorize the Director of Public Works or her designee to execute a construction contract and establish the effective date following receipt of approved Faithful Performance and Labor and Material Bonds and insurance certificate filed by the contractor for Project ID No. RDC0015579 – Angeles Forest Highway between Sierra Highway and Angeles Crest Highway, for installation of metal beam guardrail, roadway signs, pavement delineators, and striping and pavement markers, in the unincorporated community of Acton, to APW Construction, Inc., dba Ace Fence Company, in the amount of \$1,000,824.25.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to obtain approval of the project from the Board to award this construction contract and authorize the Director of Public Works (Director) or her designee to

execute the contract and establish the effective contract date following receipt of approved Faithful Performance and Labor and Material Bonds and insurance certificate filed by the contractor for this project.

On December 18, 2012, Agenda Item 26, the Board approved the project; adopted the plans and specifications; called for bids to be received on January 22, 2013; and instructed the Executive Officer of the Board of Supervisors to advertise the project.

The enclosure includes the project description, the call for bids and bid opening date, a tabulation of bids, and financial information. The certified record of receipt of bids and the original bid proposal are also enclosed for this project.

The recommended construction contract is necessary to execute a Board-directed and approved Department of Public Works (Public Works) project in support of operational missions. The Board's approval of the recommended contract award and the subsequent execution of the contract will ensure the timely completion of the project.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Integrated Services Delivery (Goal 3). Awarding this contract will provide improved infrastructure to better serve the public and enhance the quality of life in the affected community.

FISCAL IMPACT/FINANCING

This action will have no impact to the County General Fund.

The construction cost of \$1,000,824.25 is included in the Fifth Supervisorial District's Road Construction Program in the Fiscal Year 2012-13 Fund Budget.

The enclosure includes the amount of the recommended contract as compared with the engineer's estimate, the other bids received, and more detailed fiscal and financial information.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract agreements will be in the form previously reviewed and approved as to form by County Counsel. The recommended contract was solicited on an open competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the Chief Executive Officer's and the Board's requirements.

The award of this contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. This contract contains terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County of Los Angeles' (County) Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the County's Child

Support Compliance Program, Los Angeles County Code, Chapter 2.200; the County's Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; Local Business Enterprise Preference Program, Los Angeles County Code, Chapter 2.204; and the standard Board directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by each respective contractor was considered before making this recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

On December 18, 2012, Agenda Item 26, the Board found this project to be categorically exempt from the provisions of the California Environmental Quality Act.

CONTRACTING PROCESS

The contract was solicited on an open-competitive basis in accordance with the provisions of the State Public Contract Code.

The State Labor Code requires contractors to pay prevailing wage rates to all persons employed on public works construction contracts. These rates are determined by the Department of Industrial Relations and include contributions for fringe benefits such as vacations, pension funds, training, and health plans for each employee.

To further increase contractor awareness of contracting opportunities with Public Works, this project was listed on the County website for upcoming bids. Public Works will review and approve the Faithful Performance and payment bonds filed by the contractor.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This construction contract will result in improved public works infrastructure in the community where the work is scheduled.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division.

Respectfully submitted,

A handwritten signature in black ink that reads "Gail Farber". The signature is written in a cursive, flowing style.

AWARD OF CONTRACT
March 19, 2013

PROJECT ID NO. RDC0015579 – Angeles Forest Highway between Sierra Highway and Angeles Crest Highway, (in the Angeles National Forest and the unincorporated community of Acton), Supervisorial District 5.

TYPE OF WORK: Installation of metal beam, guardrail, roadway signs, pavement delineators, and striping and pavement markers and the performance of other appurtenant work.

CALL FOR BIDS DATE: December 18, 2012 (Agenda Item 26)

BID OPENING DATE: January 22, 2013

BID SUMMARY:

Low	APW Construction, Inc., dba Ace Fence Company 727 North Glendora Avenue La Puente, California 91744 (626) 333-0727	\$1,000,824.25
2	C & W Construction Specialties, Inc.	\$1,013,310.49
3	Alcom Fence Company	\$1,097,712.49
4	William Kanayan Construction	\$1,152,811.20

FINANCIAL INFORMATION:

Amount of estimate	\$ 903,130.00
Amount of recommended contract	\$1,000,824.25
Amount of recommended contract above estimate	\$ 97,694.25

The amount of recommended contract is 11 percent above the estimate. A review of the estimate reveals it did not account for additional traffic control to complete the work on the curving roadway. While the bid price is higher than the estimate, the bids are competitive, and we do not believe re-advertising the project will result in lower bids. Therefore, we recommend award of the contract to the low bidder.

The project will be administered under the Federal Highway Safety Improvement Program covered by Agreement No. 76078 with the State of California. Under this program, Federal funds in the amount of \$900,000 will be used to finance a portion of the project cost. Funding for this project is included in the Fifth Supervisorial District's Road Construction Program in Fiscal Year 2012-13 Road Fund Budget.

ENVIRONMENTAL IMPACT:

On November 20, 2012, Agenda Item 26, the Board found this project categorically exempt from the provisions of the California Environmental Quality Act.

CONSTRUCTION SCHEDULE:

The contract specifications require the work to be completed in 60 working days. It is estimated that the work will start in June 2013 and be completed in September 2013.
